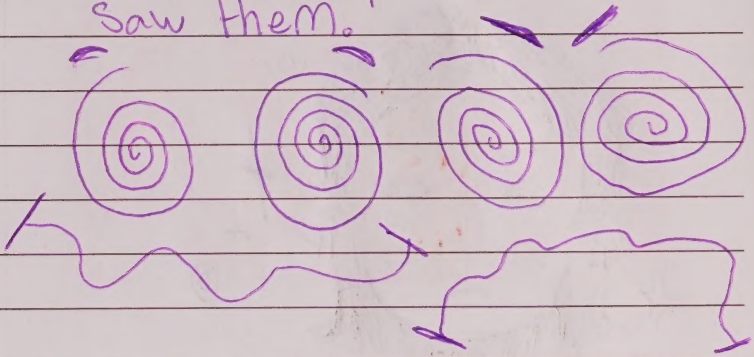
I keep looking for miracles in the same place I last saw them.



But they're never there again!

Oh my goodness I seem to have forgotten my hat today! I hope my boss doesn't find out!! I'll be so screwed aw man. aw geez. anyway I came to talk to you today cause I'm having this problem with this girl. She seems to really hate my guts and I feel as though it's because she barely knows me!! She seems to believe that I'm a lazy, uninspired flop who mooches off their friends to get ahead in life!! Do i really give those vibes?!

Hi people. It's DJ Earworm here. I'm with my good friend, DJ Catnip. His show is at 2 am... suck my dick.

I just wanted to say that the booth feels magical tonight. I love KVRX + the silly people in it. Looking through this journal made me smile.
